## WHO ARE WE?

Houston Gaymers was established in 2009, based on the idea of the classic family game nights. By 2014, we became the nation's largest physical gaymer community, and was voted Houston's Gayest and Greatest Favorite LGBT Social Organization by OutSmart Magazine's readers' choice awards. We strive to bring together the LGBT community through our online community and bimonthly meetups.

## WHY SPONSOR?

Houston Gaymers provides a fun and friendly environment for gaymers to connect and make long lasting relationships. The mission of the non-profit is to provide guidance to organizations looking to form gaymer communities, and to support these leaders to grow their organizations into larger gaymer communities. With continued sponsorships and partnerships, the organization will be provided the following resources:

- Provide event resources and tools for their communities.
- Launch an interactive webpage exclusively for gaymer groups.
- Develop educational programs and resources for starting their communities.
- Keep program and event costs minimal for the group participants, allowing them to participate regularly.
- Launch "Project Blue Shell", a program to provide gaming system libraries to children in hospitals, to help foster positive energy.
- Maintain social media campaigns
